

ProSeries Sirens

Application

The ProSeries Siren family is designed to enhance the security of residential and small business properties by providing audible alerts that can deter intruders and notify occupants of potential security breaches. These sirens integrate seamlessly with ProSeries intrusion systems, ensuring reliable performance and ease of use.

The ProSeries Siren family includes a range of sirens tailored for different environments and needs. Whether for indoor or outdoor use, these sirens offer elegant designs that complement modern architectural styles.

The family includes:

- ProSeries Indoor Siren: PROSIXSIREN-EU
- ProSeries Superior Outdoor Siren: PROVSIRENL1/2-EU
- ProSeries Compact Outdoor Siren: PROSIXSIRENO-EU

Special Features

- **Easy Installation**
Power up triggers auto-enrolment to speed installation and eliminate errors.
- **Remote Configuration**
Devices can be configured remotely, reducing the need for on-site visits.
- **System Health Check**
Monitor device signal strength, sensor settings, temperature, and battery life anytime, anywhere via AlarmNet 360® and Resideo PRO App.
- **High Security**
Two-Way Wireless Technology employs true, 128-bit AES encryption.
- **User-Friendly**
End-user replaceable batteries and remote adjustment of sensor parameters.
- **Seamless Integration**
Fully compatible with PROHP-EU, PROBOX-EU and PROAIOPLUS-EU for cohesive security solutions.
- **Regulatory Compliance**
Meets all relevant standards for effectiveness and legal compliance.
- **Updated Tools**
Easy installation, monitoring, and maintenance with enhanced installation tools.

PROSIXSIREN-EU

PROVSIRENL1-EU
PROVSIRENL1-DUM

PROVSIRENL2-EU

PROSIXSIRENO-EU

PROSIXSIRENO-DUM

Indoor siren PROSIXSIREN-EU

- **Visual Notification**
The 3 colored LED helps to visually understand the system condition, armed, disarmed, or alarm status.
- **Round Shape Design**
Ensures aesthetic consistency.
- **Clear Alarm Sound**
Clear intrusion and life-safety alarm sound.

Outdoor siren PROVSIRENOL1/2-EU

- Larger Front Face**
Ideal for screen printing allowing installer branding and enhanced visibility on both functional and dummy versions.
- High Sound Output**
Superior sound output ensures effective deterrence.
- Lens Color Options**
Available in orange (PROVSIRENOL1-EU) and blue (PROVSIRENOL2-EU) lens color.

Outdoor siren PROSIXSIRENO-EU

- Compact Design**
Smaller form factor for discreet installation, ideal for environments where subtlety is preferred.
- Round Shape Design**
Ensures aesthetic consistency.
- Functional and Dummy Options**
Available as both functional (PROSIXSIRENO-EU) and dummy siren (PROSIXSIRENO-DUM).
