

Honeywell Home

FocusPRO[®] N100 Non-Programmable Thermostat

Designed for Pro Ease of Use

Introducing a simply better non-programmable thermostat. The Honeywell Home FocusPRO N100 is designed for pro ease-of-use and profitability. It reduces job complexities and time on-site while supporting recurring business thanks to its broad system compatibility, UWP[®] wall plate, large display and clear font, and competitive price.

FocusPRO® N100 Features

Designed for Pro Ease of Use

Large Display

Gain the visibility you prefer thanks to a large digital display with clear font, plus an optional always-on backlight when hardwired.

User-Friendly Design

The intuitive interface makes it easy to navigate and program.

Customizable

Option to select display settings.

UWP® Wall Plate

Supports a speedy installation and service process while simplifying the path to upgrade.

Broad System Compatibility

Supports up to 3H/2C heat pump and 2H/2C conventional systems, plus single-stage 1H/1C models. An extended setpoint begins at 0°C and wired outdoor sensor compatibility brings added benefits.

Warranty

5-year warranty.
